- FEE:** \$50.00 for the first child/\$45.00 for the second and thereafter, visa, mastercard, discover, cash or a check made payable to the City of College Station. Kids can pay with **PARK BUCKS**.
- GRADE LIMIT:** Attending 5th Grade – 8th Grades during the 2006-2007 school year. League is limited to girls in these grade groups.
- SEASON:** Practices begin October 2, 2006. Games will begin Monday, October 16, 2006. The season will last from approximately October 2, 2006 through November 20, 2006.
- LEAGUE FORMAT:** 8-game, round robin format. Players are guaranteed to play at least half the match. There are two divisions: 5th - 6th Grade and 7th – 8th Grade. Trophies are awarded to all participants.
- LOCATION:** All practices and games will be held at the College Station Middle School and/or A&M Consolidated Middle School. Your games and practices may vary between the two facilities.
- NIGHTS OF PLAY:** Games and practices will be held on Monday and Wednesday nights and Saturdays.
- GAME TIMES:** Games will be 6:10 pm, 7:10 pm, and 8:10 pm.
- PRACTICE TIMES:** All teams have Saturday practices scheduled. Practice times are between 8:00 a.m. ~ 4:00 p.m., and your coach will notify you of your team's specific practice time. The first two weeks will consist of all practices, so that each team will have had about four practices before games begin.
- PLAYING TIME:** Our philosophy for this program is to provide a recreational activity that allows your child to participate in at least half of the match, and to learn the fundamentals of volleyball.
- UNIFORM:** T-shirts are provided for all participants.
- SPECIAL REQUESTS:** Write on the registration form if you want sisters to play together on the same team. They must be in the same grade grouping. *We try to honor special requests, but there are no guarantees.*
- TEAM PLACEMENT:** Teams are formed by the Parks and Recreation Department or the College Station Sports Committee. We divide by grade so that the teams can have approximately the same ratio of younger children to older children. Our goal is to make teams as equal as possible and we try to put kids on a team from the same school.

- RULES:** You can find rules of the game on www.eteamz.com/cspard . Once on the site go to the youth volleyball page, then click the word handouts on the left side of your screen and download.
- HOW/WHEN WILL YOU BE CONTACTED:** Your child's coach will be given a roster of the children on his/her team. The coach will then call you and tell you when the first practice will be held. A list of all practices, games, and a team roster will be available at that first practice. The coaches will be calling their team members between September 28 and October 2. If you have not been contacted by October 2, then please call the Parks office at 764-3486.
- IF YOU HAVE QUESTIONS:** Your coach is the person to contact in most instances. The coach's name and phone number is listed on the roster form that your child will bring home after their first practice. If that doesn't help, or is not applicable, please call Patrick Hazlett at 764-6386 and he should be available to answer questions.
- TEAM COACH:** **We are always in need of coaches!!!** If you have indicated that you will coach, we will contact you between September 27 and September 28. If there are any coaches that want to work together, we will **try** and put one head coach and one assistant coach on the same team. Coaches wanting to work together must write that on the child's application.
If you filled out the information to help, we will use you unless your criminal background check is not acceptable.

WE WANT YOU!!!

To become a

YOUTH VOLLEYBALL COACH!

This is your chance to spend time with your child, as well as teach others what team sports are all about. With your help and dedication, we can make this a positive experience for each child in our program. We will try and provide you with all the necessary information to help with your team. Please sign up if you know the game of volleyball and you are interested in teaching the game to your child and the team that she is on.

Some of the responsibilities of a coach:

- Staying in touch with the team about upcoming volleyball events (schedule changes, pictures, parties, etc.)
- Contact other parents to bring drinks after games
- Find a volunteer to keep score during your team's games
- Attend all games and practices or find a substitute to come when you cannot
- Assist the coach during practices and games
- Be a positive influence to each child on the team and in the league
- Help us make this program fun for everyone
- Implement the fundamentals and strategy of volleyball

We will hold a coaches meeting on Thursday, September 28, 2006, at 7:00 p.m. at the Conference Center at 1300 George Bush Drive. We will discuss the league and hand out an outline of the ways you can help us.

If you have any questions, or are interested in helping us make this a positive experience for your child, please call Patrick Hazlett at 764-6386.
